# Postdoctoral trainee

The purpose of this tax exemption measure is to increase the ability of Québec universities to attract or recruit foreign postdoctoral trainees in areas of expertise in which the universities are experiencing recruitment difficulties. This measure is applicable to the following areas of expertise: the pure and applied sciences and their related fields.The deadline to submit the application for certificate is before March 1st, 2023. After this date, the form will no longer be available for current tax year.

You must attach the following documents to this application form: 1. a copy of a document confirming the applicant's appointment as a postdoctoral trainee employed by the university 2. a certified true copy of the applicant's doctoral (Ph. D.) degree or equivalent recognized by the university 3. a copy of the abstract (summary) of the applicant's thesis in English and French versions 4. the applicant's job description and list of duties 5. a copy of the applicant's up to date curriculum vitae which contains information on occupation prior to start date 6. a copy of the applicant's work permit issued by Citizenship Canada whose dates correspond to start date of the applicant
